General Notes

A minimum of 123 credits are required for graduation.

Where appropriate, courses required for the major can be used to satisfy General Education requirements. However, the credits earned for these courses are applied to either Gen Ed requirements or the major, not both.

Paths of Knowledge coursework may count towards major or minor requirements, but may not fulfill a second Mid-Level Liberal Arts Exploration requirement.

Students are expected to follow the catalog requirements for General Education, the major, and additional requirements.

A minor or second major within the areas listed under Paths of Knowledge automatically fulfills that area of the Gen Ed requirements.

Students must complete 45 of their last 60 credits at Alvernia University

Students must complete community service hours as part of the General Education Program

Major Notes

To graduate with a Business degree, students must:

Have earned and maintain an overall grade point average of 2.0

Have earned 60 credits

the General Education requirement.

There is a 75 Hour Experiential Learning Graduation Requirement for all business majors.

Please consult with your academic advisor for more information.
